

McAfee Enterprise Sub-Processors

Third-Party Services used by McAfee Enterprise

McAfee Enterprise (Musarubra, LLC and all its affiliates) uses third-party companies and services to assist in providing McAfee Enterprise's services. These third parties may receive personal data from McAfee Enterprise. Third parties who receive personal data from McAfee Enterprise agree the personal data will be used for processing activities carried out (i) on behalf of McAfee Enterprise customers; (ii) in accordance with customer instructions as communicated by McAfee Enterprise; and (iii) in accordance with the terms of a written contract between McAfee Enterprise and the third party. In addition to the third parties below, McAfee Enterprise may share data between its affiliates and with McAfee's affiliates.
